

ORCHIDS TO GO!

When you need them. Ready to finish, flower & sell.

Perfect for the flowering pot plant grower: Pre-finished 4" Phalaenopsis delivered ready to be cooled and spiked, or already in short spike for you to simply sit on a bench, flower and sell...

Selected from the newest fashions in orchid clones offered by Taiwanese and European breeders. Grown by one of North America's premier pot plant growers, Westbrook Greenhouses, providing consistent quality week to week.
